When we are born, the energy of the world begins to take us away from the Truth of Who We Really Are. Your genetic lineage, your experiences, your pain, trauma and beliefs that you learn from the people around you, condition you away from that Truth.

Living true to your Human Design Type allows you to interface and connect with the natural abundance of the Cosmic Plan and supports you in aligning with your destiny – the lessons you sought to master before you even incarnated. This book gives you the tools and information you need to connect to your unique Type and the Plan that aligns with Your Destiny.
