### Synopsis:

Each of us has our own struggles in varying degrees. Some may have health problems, others financial problems, and some relational problems. Walking Beside Me is the product of my desire to share a story of God's trustworthiness, even when everything in life tells you otherwise. My faith in His sovereignty has given me peace amidst the most heartbreaking experience in my life. I hope this book will reach many, and that many lives will be inspired to keep on and to hold on to the One who is in control of what lies beyond today.
