Synopsis:

Discover your child's astrological combinations and learn how to communicate better with your children!

Have you ever wished for a parenting guide or instruction manual for your kids? Maria Comfort offers an easy-to-understand guide on how to find your child's rising sign and interpret their chart to make learning about your children's personality quirks simple and easy!

This book will equip you with tools for easier communication and offers simple advice on how to motivate your kids, all while learning about them and yourself in the process. Discover how your child's personality is affected by planetary alignment and how their behavior can be guided by the stars.

Raising Your Child Astrologically is an indispensable tool for parents navigating the often tricky process of relating to their kids by helping them unlock the mysteries of the stars and astrology to better understand how the cosmos play a major part in how their children develop as they grow.
